## **DSWA WELCOMES 15,000TH CURBSIDE CUSTOMER**

The Delaware Solid Waste Authority (DSWA) is proud to have reached another milestone with its Curbside Recycling Program. On April 23, 2007, DSWA welcomed its 15,000th curbside customer. Ms. Kristy Adkins of Hockessin is DSWA 15,000<sup>th</sup> customer to join the curbside program. Ms. Adkins has been an avid recycler for many years and is very excited to become a part of this program. DSWA's voluntary curbside recycling program began in 2003 and is available to all Delaware residents at a nominal fee. Each customer is provided with a bin for glass containers, and different colored bags to collect newspaper, junk mail, narrow-neck plastic bottles, and cans. The program also allows for customers to recycle their flattened corrugated cardboard. For an extra fee, DSWA will provide pick-up of 4 bags of yard waste per week per customer. Rich Von Stetten, DSWA Senior Manager of Statewide Recycling says; "It is with great pleasure that we announce Ms. Kristy Adkins as DSWA's 15,000th curbside customer. Kristy will see that DSWA provides a wonderful curbside service at a very reasonable price.

Welcome aboard Kristy!"
