# **PRESS RELEASE**

For more information regarding this release, contact Wendy Pizzadili at 1-800-404-7080.

The Delaware Solid Waste Authority is pleased to be partnering with the Boys and Girls Club of America and Film Brothers Production as its April 21, 2007 Family Fun Day presenter for the film; "Jack of Clubs". The film which tells of a desperate man who gets in trouble with the law and is ordered to serve his probation working at the Boys & Girls Club was filmed throughout Delaware and emphasizes the mission of the Boys and Girls Club of America.

DSWA is proud to be partnering with another organization that believes in what they do and is excited to be working on such a valuable project. DSWA is hopeful that through the education of programs such as recycling; children will not only learn to protect and preserve our environment but will teach others, both children and adults alike to do the same. April 22<sup>nd</sup> is Earth Day, but DSWA believes you should treat everyday like Earth Day.
